

Special freight requirements demand specialized freight experts.

IntelliQuick Delivery is a leader in Specialized Freight Services for companies with needs to move mission-critical, less-than-truckload freight (LTL) throughout the Southwest U.S., and across the country. We have the right equipment and no job is too small. We can even box up the freight for you and palletize it too.

Specialized Freight Services

All backed by IQ's traditional value, outstanding people, industry-leading technology and uncommon customer service.

- Less Than Truckload (LTL)
- Full Truckload (FTL)
- Critical Freight Services (NFO)
