

Everything you want in professional Service of Process.

Serving the legal industry for more than 15 years, IntelliServe (a division of IntelliQuick) has emerged as a leader in the legal courier and mobile notary services field. Experienced in the special handling of court filings, complaints, subpoena service and service of process, our legal couriers have earned the trust and respect of lawyers, judges and government officials throughout the Southwest.

We can optimize the accuracy and timeliness of service because we have more resources available—more personnel, a wider area of coverage, and state-of-the-art communications technology to expedite and document service of process.
